(C) The circumstances surrounding the offense, including, but not limited to, whether the conviction was entered into pursuant to a plea deal; and

(A) A previous motion made under this subsection (h) to reduce the sentence was denied after a review of the motion on the merits;

(B) Resentencing the defendant to a shorter period of confinement for this offense would not reduce the defendant's overall sentence or lead to an earlier release; or

(C) The defendant has previously applied to the governor for a grant of executive clemency on or after December 2, 2021, for the same offense and has been denied.

(4) This subsection (h) does not require a court to reduce any sentence pursuant to this section.
